COMMENTS

International Broadcasting Corporation (IBC), by its attorneys, hereby submits its comments with respect to the above-captioned rule making proceeding which proposes the deletion of FM Channel 291B at Vieques, Puerto Rico, and the substitution of FM Channel 291A for Channel 254A at Culebra, Puerto Rico.

The Notice of Proposed Rule Making states that the proposed deletion of Channel 291B at Vieques is necessary to permit the allotment of Channel 291A at Culebra, but that Channel 291B will be retained at Vieques if there is an expression of interest to make application to operate an FM station on this channel.

IBC believes that because of recent changes in the development of the Vieques area, construction of a new radio station is warranted there. In consequence, it is IBC's intention to apply for such a facility on Channel 291B.

Respectfully submitted,

International Broadcasting Corporation
